Church Family Directory

available for pickup
One per family, please

The Church Family Directory will be free of charge if your family has provided a picture to be included in the Directory. New Member photos have been included as were available. If your photo is not in the Directory, we ask that you pay \$5.00 to cover the cost of printing and processing, for your Directory.

We have done our best to insure the most accurate information has been published. If you notice that your contact information is incorrect, please contact sue@marblefallsfbc.org or call the Church Office to correct the information. If you would like to add/remove an address, email account or phone number, we ask that you contact us as well.

When you receive your Directory it will be bound in a reusable folder. By publishing the Church Family Directory in house, we will be able to print updated pages twice per year. At that time you will simply discard the old pages and replace them with the new, updated, pages in your Directory Folder.

If you should change your physical address, phone number or email at any time, please let us know ASAP so your records may be updated. This is important not only for use in the Church Family Directory, but more importantly, for church record keeping. Current and accurate member information is vital for the smooth operation of daily church activity.

Please contact us if any of your personal information needs to be updated.

YOUR STORY IS POWERFUL

Your heartbreak, sickness, and failures are not empty. Those holes in your heart leave space for mercy to fill, making you complete. Your life story is proof of that, just like James. Jesus' own brother started out as a skeptic. Get to know both the man and the Book of James, and see how one glimpse of the resurrected Savior turned an unbeliever into a disciple.
